

AUBURN COMMUNITY HOSPITAL

We Specialize in You

**MONDAY
SEPTEMBER 14TH, 2020
HIGHLAND PARK GOLF CLUB**

DEAR GOLFERS AND SPONSORS,

Auburn Community Hospital (ACH) and our Foundation are excited to host the 24th Annual Golf Classic at Highland Park Golf Club this year, on Monday, September 14th, 2020. The Annual Golf Classic is a great community event that helps raise awareness and support for the many programs and services that the hospital provides to our community.

This year, more than most, has been very challenging for the hospital and our primary care practices. Needless to say, your support for our 24th Annual Golf Classic is especially vital this year. Nine months after the first cases of COVID-19, we continue to face a threat to our health and economic stability, which in many ways disproportionately affects small community hospitals like ACH.

This year, proceeds from the Golf Classic will specifically go towards a fund to support the expansion of our new Cancer Center, which is located in the hospital. Auburn Community Hospital is collaborating with the Upstate Cancer Center to provide our region with the most comprehensive resource for cancer care and the most advanced outpatient treatment and support services, in a state-of-the-art Cancer Center conveniently located on the hospital's first floor.

We are able to hold this event every year because of the amazing generosity of our golfers, sponsors, and volunteers who turn out to support our hospital. We are grateful for your support and look forward to seeing you at Highland Park Country Club on September 14th. Please register to join us by August 31st, 2020 as openings fill up quickly.

On behalf of the Auburn Community Hospital Foundation, thank you for your participation and support.

Sincerely,
Chris Rheäume
Chairman
Auburn Community Hospital
Foundation
